The deadline is changed from December 31, 2019 to January 31, 2020 to accommodate the new online booth registration and payment process.

When is the deadline to register for the 2020 Craft Fair?

The Application deadline to register is October 31, 2020. No new applications will be accepted after this date. If we are sold out of booths before that date, we will not be able to accept any more applications at that time.

When will I receive my parking pass?

Parking passes (1 pass per paid booth) will be mailed by US Postal Service to all vendors during the late summer. This delivery method insures the fair distribution of parking passes. Please make sure your mailing address is up to date. Should you move between the time you register and when we mail out the parking passes, you need to contact us at craftfair@mohsmusic.com with your updated mailing address. The committee will not be responsible if your parking pass is returned and you have no parking pass on the day of the Craft Fair.

QUESTIONS? Please email us at craftfair@mohsmusic.com. The committee is made up of volunteers. We will do our best to respond in a timely fashion but please accept delays during the week prior to and after the craft fair. **Thank you for your understanding as we work together to make this a Safe and Successful Craft Fair for All!!!**
